## Thank you, Special Services and Food Drive Groups!

Even in tough economic times for our nation and our state, our community continues to support our important services to victims of family violence and sexual assault, child abuse, and families in crisis. This testifies to the generosity at the heart of our community. We are grateful to all who have given of their surplus, and we know that many have sacrificed in order to give to those in need.

## Thank you, Donors!

We honor all of the individuals, families, and businesses who make financial contributions to Mission Granbury throughout the year. Space does not permit listing each of you. We give you our heartfelt thanks—it is your generosity that enables Mission Granbury to operate our life-changing and often life-saving services for those who are most vulnerable. We know we are living in rough times. Many people are not working, others cannot afford their mortgage payments or rent, still others are sick and cannot pay for prescriptions or medical care. Every dollar you give is important and helps the most vulnerable men, women, and children among us. And just as importantly, the kindness and love with which you give offers hope in the midst of struggles and troubles.

thanks you for allowing us to continue our service to the community.
